

## 2016 bay 93.9 Bethany Giving Tree Appeal

As you begin to plan for this year's Christmas celebrations, spare a thought for the hundreds of families in our region who will find it hard to conjure up the holiday spirit. For many families, Christmas can be a time when budgets won't stretch far enough to have something special on the table or under the tree.

The *bay 93.9 Bethany Giving Tree Appeal* has been successfully spreading Christmas cheer for the past 16 years, collecting presents from generous individuals, businesses and community groups; and distributing them to those in need via local welfare agencies across Geelong.

This year the appeal will run from Friday 11 November and finish on Friday 9 December and we encourage people to leave their presents early so we can distribute to families in need before Christmas.

So when you're writing that list of what to buy for mum, dad and Uncle Joe, add an extra name to your list and make the difference for someone this Christmas.

Give to someone 'close to you'

### *The agencies who receive presents from the appeal are:*

Bethany Community Support	Barwon Youth, Child and Family
MacKillop Family Services	Minerva Community Services
SalvoConnect Women's Services	Wathaurong Aboriginal Cooperative
Diversitat	St Laurence

This year almost 100 trees are located throughout the region. Most trees are open to the public and some are hosted by businesses solely for their staff.
